

Camp Indian Springs

About

Summer 2015 will serve as the opening season of Camp Indian Springs in Indian Springs Village. Camp Indian Springs is a summer day camp for kids ages 5-13 at Indian Springs School located on HWY 119. Campers will spend their summer engaged in on-campus activities including tennis, hiking, beach volleyball, gymnasium sports, outdoor sports, gardening and arts and crafts along with field trips such as bowling, movies, skating and more!

Coach Joe Carter will serve as the Executive Director along with Danny Spencer as the Assistant Director. Coach Carter has over 30 years experience in summer camp programming and is currently a teacher at Spain Park High School. Coach Carter has directed Spain Park Day Camp for 14 years and has developed the program into a reputable, first-choice for parents in the Birmingham area. This summer will serve as a transition for many parents as Spain Park Day Camp becomes Camp Indian Springs.

Camp Structure

Our camp structure creates an environment for children to thrive and grow throughout the summer while immersed in a variety of activities tailored to your child's age and interests. Campers are assigned to groups by their age and then divided into girls groups and boys groups. Each group is assigned at least one college counselor who serves as the lead counselor for that group. High school counselors assist our college counselors in every group. Our counselors go through extensive training and review to make sure they are the right fit for our camp and will be the best leaders for our campers. We require recommendations from their teachers and former employers as well as an interview process with our staff members. Our staff members are selected by Director, Joe Carter. Many of our staff members are educators or have served alongside Coach Carter for many years in the summer camp environment.

Our counselors guide each camper throughout the day based on a schedule they have created that tailors to group interests and needs. Each day's schedule is jam packed with fun activities for every camper. Regular camp hours are from 9AM - 3PM with early drop-off beginning at 7AM and aftercare from 3PM - 6PM. The 2015 camp season begins June 1 and will run through July 31.

Our Philosophy

Camp Indian Springs desires to bring each of our campers the premiere camp experience in Birmingham, AL. We believe our facilities, team, and programming are unmatched and we strive to exceed expectations.

It is our goal to keep each camper active and engaged throughout the day with indoor and outdoor play as well as off campus activities designed to entertain, develop, and promote growth in each camper. We want to take your summer camp experience to the next level!
